## DISCLOSURE

This Factsheet displays the actual performance of Christmas Signature Strategy, including reinvestment of dividends, net of: 2.5% annual management fee, brokerage commissions, and the deduction of non-U.S. withholding taxes.

Performance of some clients may slightly differ from this report due to non-fractional capabilities of some securities resulting in difference of portfolio weighting, timing of deposit or withdrawals.

Performance-based (or performance-sharing) fee is for non-U.S. clients only. Rate of return in this document shall not be the basis of estimating net return when using performance-based fee structure.

S&P 500 Total Return is used as a benchmark, which includes reinvestment of dividends, but does not reflect any transaction costs.

Christmas Corporation ("Christmas") is an investment adviser registered with the Securities and Exchange Commission ("SEC"). Registration does not imply a certain level of skill or training nor does it imply endorsement by The SEC. Please see our Form ADV and other disclosures.

Investments in securities: Not FDIC Insured • No Bank Guarantee • May Lose Value, and there is always the potential of losing money when you invest in securities. Past performance is no guarantee of future results. Performance results were prepared by Christmas, and have not been reviewed or audited by an independent accountant. Performance estimates are subject to future adjustment and revision. Any expected returns or projections are hypothetical in nature and may not reflect actual future performance.
